

HORTICULTURAL

Lubricant Range

Rock Oil have specially engineered a series of bespoke products to cover the horticultural market. The Groundsman Range is a specially formulated range of lubricants designed for both petrol and diesel horticultural equipment operating under all conditions and applications no matter how arduous. Where applicable each product is OEM specific and approved, meaning that they can be used throughout the whole life of vehicles and machinery, including during the warranty period. These include all-terrain vehicles (ATV), strimmers, lawnmowers, chainsaws and brush cutters.

GROUNDSMAN SAE 30
PN. 02190

GROUNDSMAN SAE 30 is a high-performance, superior-quality lubricant, specially designed for use in horticultural 4-stroke petrol and diesel (naturally aspirated & turbocharged) engines, including lawnmowers, generators and stationary engines, where monograde oils are recommended.

API SJ • SH, SG, SF, SE, SD, SC, CF-4, CF, CE, CD, CC

GROUNDSMAN 4 STROKE
PN. 02101

GROUNDSMAN 4 is a high-performance, superior-quality lubricant, specially designed for use in horticultural 4-stroke petrol and diesel (naturally aspirated) engines, including lawnmowers, generators and stationary engines, where multi-grade oils are recommended.

API SJ • SH, SG, SF, SE, SD, SC, CF-4, CF, CE, CD, CC

GROUNDSMAN 2 STROKE
PN. 07122

GROUNDSMAN 2 is a high-performance, premium, low ash semi-synthetic engine oil, specially designed for use in small, high-revving, horticultural and agricultural 2-stroke engines. **GROUNDSMAN 2** is suitable for use as a pre-mix or in oil injection systems and can be used with LRP, leaded or unleaded petrol.

API TC • JASO FA, FB, FC, FD • ISO L-EGB, L-EGC, L-EGD

GROUNDSMAN ONE SHOT
PN. 07125

Designed for oil injection systems but is equally suitable for premix applications.

Meets global two stroke specifications ensuring a high standard of lubrication providing your machinery with excellent protection at all times.

API TC • JASO FA, FB, FC, FD • ISO L-EGB, L-EGC, L-EGD

GROUNDSMAN CHAINSAW
PN. 10070

GROUNDSMAN CHAINSAW is a high-performance, superior quality, mineral-based chainsaw oil specially designed for use in petrol-powered, horticultural chainsaws. **GROUNDSMAN CHAINSAW** meets the rigorous demands of the forestry, woodyard and lumber industry.

Non-Fling Chainsaw Oil • ISO VG 150 • SAE 40

GROUNDSMAN BIO-CHAIN
PN. 26110

GROUNDSMAN BIO-CHAIN is a high-performance, superior quality, vegetable-based chainsaw oil specially designed for use in agricultural, forestry, horticultural and water industries where an environmentally sensitive product is required.

Non-Fling Chainsaw Oil • ISO VG 68 • SAE 40
