## Lubricants Range

At Rock Oil, we utilise our extensive expertise in 2-stroke and 4-stroke lubricants to produce an exceptional range of marine lubricants suitable for both inboard and outboard applications. Among this diverse array of top-tier lubricants, we are particularly proud to have achieved the esteemed NMMA certification for our leading marine lubricants, MP3 Ultra and MP+ Sport, reflecting the exceptional standards we consistently uphold across our product range.

### MP3 ULTRA OUTBOARD

**MP3 ULTRA** is a high-performance, NMMA TC-W3® certified, advanced synthetic engine oil, specially designed for use with the latest generation, high-stress Direct Fuel Injection (DFI) 2-stroke outboard engines. MP3 ULTRA is optimized to match the performance of Mercury® EFI & Optimax®, Yamaha® HPDI, Suzuki®, and Mariner® engines, and will mix with typical 2-cycle engine oils.

NMMA TC-W3® (No. RL 92402B)  
Outboard DFI 2-stroke  
Advanced synthetic

### MP+ SPORT OUTBOARD

**MP+ SPORT** is a high-performance, NMMA FC-W® CC certified, semi-synthetic engine oil, specially designed for use in 4-stroke outboard high-output petrol and diesel engines, where NMMA FC-W® is required.

NMMA FC-W® CC (No. FC13799W)  
NMMA FC-W • APL SL  
Outboard 4-stroke  
Semi-synthetic

### MP PLUS SPORT 5W-30 OUTBOARD

5W-30  
4-STROKE OUTBOARD

**MP PLUS SPORT 5W-30** is a high-performance, advanced synthetic engine oil, specially designed for use in top-performing 4-stroke outboard engines. MP PLUS SPORT 5W-30 is optimized to match the performance of all Yamaha 4-stroke outboards, but works best with the Yamaha VMAX SHO, F70 and V6 offshore models.

SAE 5W-30 • NMMA FC-W (CC)®  
Outboard 4-stroke  
Advanced synthetic

### MP3 SPORT OUTBOARD

2-STROKE OUTBOARD

**MP3 SPORT** is a high-performance, semi-synthetic engine oil, specially designed for use in Direct Fuel Injection (DFI) and non-DFI 2-stroke outboard engines. MP3 SPORT is optimized to match the performance of Mercury® EFI & Optimax®, Yamaha® HPDI, Suzuki®, and Mariner® engines, and will mix with TC-W3® 2-cycle engine oils.

NMMA TC-W3®  
Outboard DFI / non-DFI 2-stroke  
Semi-synthetic

### BIO MARINE 3 OUTBOARD

BIODEGRADABLE •  
NON-TOXIC

**BIO MARINE 3** is a high-performance, ester-based, fully biodegradable engine oil specially designed for use in 2-stroke outboard engines where an environmentally sensitive product is required. With a primary focus on safeguarding the environment, this product has been engineered to have minimal impact on wildlife while providing optimum performance and extending engine life.

NMMA TC-W3®  
Outboard 2-stroke  
Ester-based

### MP4 SPORT INBOARD

15W-40  
4-STROKE INBOARD

**MP4 SPORT 15W-40** is a high-performance, semi-synthetic engine oil, specially designed for use in 4-stroke inboard high-output petrol and diesel (naturally aspirated & turbocharged) engines.

API CH-4+, SL • ACEA E7 • MTU TYPE 2 •  
VOLVO VDS-3 • GUMMINS CES 20076 / 77776  
• CATERPILLAR ECF-2, ECF-1a • MACK  
EO-M PLUS • MB 228.3 • DEUTZ DQC-II-10 •  
MAN M3275 • RVI RLD-2/RLD • DDC 93K215  
• JASO DH-1

Inboard 2-stroke  
Semi-synthetic

## MP LITE-D INBOARD

### 4-STROKE INBOARD

**MP LITE-D** is a high-quality, multi-grade engine oil designed for use in canal boats and similar small-capacity craft with non-turbo diesel engines. MP LITE-D is suitable for use in all canal boat engines where 10W-30, 10W-40 or a 15W-40 API CC engine oil is specified.

API SF/CC  
Inboard 4-stroke  
Multi-grade diesel

## MPR INJECTOR INBOARD

### NON TC-W3® 4-STROKE INBOARD

**MPR INJECTOR** is a high-performance, advanced synthetic engine oil, specially designed for use in jet skis, water scooters and PWC (personal watercraft) 2-stroke injector system engines. MPR Injector is a smokeless, ultra-clean burning lubricant, suitable for Sea-Doo jet skis and other Rotax engines in marine equipment that require low-ash oils.

JASO FD • FC • ISO L-EGD • API TC • ROTAX 253 • HUSQVARNA 346 & 372

2-stroke Injector/Pre-Mix  
Advanced synthetic

## MP GEAR OIL OUTBOARD

### EXTREME PRESSURE GEAR OIL

**MP GEAR OIL** is a high-performance axle lubricant, formulated for marine applications where extreme pressure (EP) oil is required, especially for outboard lower units and I/O transmissions. Its advanced marine formula is designed to provide maximum protection and resistance to corrosion while providing optimum performance and extending component life.

API GL-5 • SAE 80W-90

## MARINE HSF INBOARD

### HYDRAULIC STEERING FLUID

**MARINE HSF** is a high-performance hydraulic steering fluid, optimized to match the performance of Seastar™, BayStar™ and Hynautic™ steering systems, and most major marine equipment manufacturers. Its advanced marine formula is designed to provide maximum protection and resistance to corrosion while providing optimum performance and extending component life.

DIN 51524 PART 2

## MARINE PSF INBOARD

### POWER STEERING & TRANSMISSION FLUID

**MARINE PSF** is a high-performance, multi-functional power transmission fluid designed specifically for marine applications, including power trim units and hydraulic steering systems. MARINE PSF can be employed in applications where ATF DII fluid is advised and is compatible with most major marine equipment brands.

GM DEXRON II

## KOOL-GUARD MARINE MPG

### PRE-MIXED READY TO USE ANTIFREEZE

**KOOL-GUARD MARINE** is a non-toxic, ready to use antifreeze that will provide burst protection to -46°C and freeze protection within a range of -10°C. Use in boats, motor homes, mobile homes, pools. Protects water systems & engines from freeze ups during storage. Safe for copper, brass and all types of plastic. Contains corrosion inhibitors to protect all metal engine components and seals.

ASTM D3306 TYPE II • BS 6580 (2010)  
• AFNOR NF R15-601 (except reserve alkalinity)

## MG UNIVERSAL MARINE GREASE

### MARINE INBOARD & OUTBOARD

**MG UNIVERSAL MARINE GREASE** is a multi-purpose lithium based grease containing zinc oxide additive to repel moisture, suitable for use in marine outboard and inboard engines.

Versatile multi purpose grease • Excellent water resistance • Excellent corrosion protection • Good sealing properties

## MG STERN TUBE GREASE

### MARINE INBOARD & OUTBOARD

**MG STERN TUBE GREASE** is a premium quality, water resistant grease for use in industrial & marine applications where the presence of water and humid atmospheres can effect lubricating performance.

Premium quality grease • Extremely high degree of water resistance • Excellent corrosion protection • Good sealing properties

## SUPER MARINE INHIBITOR

### 400ml AEROSOL

**SUPER MARINE INHIBITOR** spray consists of a light mineral oil blended with sophisticated corrosion inhibitors and oxidation stabilisers. May be used on external surfaces where it yields a water repellent lubricated surface which prevents rust formation.
