

AEROSOL and Spray Range

The complete solution for aerosol maintenance & support.

Rock Oil's range of high-performance maintenance aerosols offers exceptional solutions for a variety of applications. These high-performance lubricants excel in general-purpose cleaning, extreme pressure lubrication, and providing instant and lasting protection, extending the lifespan of your machinery and tools.

With precision spray technology, they ensure efficient application, reducing waste and saving time. The advanced formulations protect against corrosion, repel moisture, and withstand extreme temperatures, making them ideal for various environments. Easy to use and highly effective, Rock Oil's aerosols help maintain peak performance and reliability, ensuring your equipment operates smoothly and efficiently.

AEROSOLS AND SPRAYS

BRAKE KLEEN 400ML

SPEEDY REMOVAL OF
DIRT & GREASE

- Efficient and speedy cleaning of all brake parts
- Low toxicity, evaporates quickly
- Leaves no residue and does not cause corrosion on metals
- Safe to use on most plastics or fibres

PN. 60081

CARB KLEEN 400ML

FUEL SYSTEM CLEANER

- Removes oil and grease
- Increases engine efficiency
- For use on both carburettor and fuel injection systems
- Ozone friendly

PN. 14640

CHAIN KLEEN 400ML

FOR DRIVE CHAINS

- Efficient and speedy cleaning of all chain parts
- Low toxicity, evaporates quickly
- Leaves no residue and does not cause corrosion on metals
- Safe to use on most plastics or fibres

PN. 63000

COPPER ANTI-SEIZE | 400ML

SPECIALIST LUBRICANT

- Protects against seizure due to corrosion and chemical attack
- Overcomes galling on assembly and reduces dismantling torque
- Suitable for a wide range of fittings and valves both in industry and automotive use
- Suitable for use up to 1100°C

PN. 65050

DE-ICER 400ML

FAST ACTING, SMEAR-FREE, DE-ICER

- Fast acting spray compound
- Removes thin ice from hard surfaces
- Prevents ice reforming

PN. 04100

FOOD CHAIN LUBE 400ML

FOOD SAFE LUBRICANT

- Odour free, taste free, colourless
- Long life, extreme-pressure lubricant
- Lubricates all types of food machinery
- Multi purpose

PN. 14610

KONTAKT KLEEN 400ML

SPECIALIST CLEANER

- Formulated to remove oils, dirt, waxes, and hydrocarbon deposits
- Completely non-toxic & non-corrosive
- Highly effective water repellent
- Evaporates leaving no residue
- Excellent for cleaning prior to sticker placement

PN. 60231

KUT & TAP 400ML

HIGH-PERFORMANCE TOOLING LUBRICANT

- Suitable for aluminium, stainless steel, brass
- Use when broaching, milling, reaming, boring, drilling, threading, turning, and facing
- Reduces heat, increases accuracy and speed
- Prolongs tool life and saves costs

PN. 60450

OPEN GEAR CHAIN & WIRE | 400ML

PENETRATING LUBRICANT

- Heavy-duty lubricant to protect and silence gear mechanisms
- Reduces wear and increases chain life
- Ideal for chains, cables, wire ropes & open gears
- Resistant to steam, salt and fresh water

PN. 00290

AEROSOL and Spray Range

AEROSOLS AND SPRAYS (CONT.)

PRO-GUARD CHAIN LUBE FLT | 500ML

HEAVY-DUTY INDUSTRIAL
CHAIN LUBRICANT

- Deep penetration of the links providing excellent lubrication
- Quick evaporation leaving an adhesive, protective film
- Resists flinging to a remarkable degree
- Contains advanced anti-corrosion and dewatering additives to help increase chain life

PN. 60990

PRO-GUARD CHAIN LUBE HD | 400ML

HEAVY-DUTY INDUSTRIAL
CHAIN LUBRICANT

- Deeply penetrates pins and bushes, reducing the need for frequent applications
- Significantly diminishes chain wear, extending the lifespan
- Minimises friction and reduces energy consumption
- Contains advanced anti-corrosion and dewatering additives

PN. 07085

ROCKEZE 400ML

PENETRATING
LUBRICANT

- Heavy-duty lubricant to protect and silence gear mechanisms
- Reduces wear and increases chain life
- Ideal for chains, cables, wire ropes & open gears
- Resistant to steam, salt and fresh water

PN. 00290

SILICONE PROTECTOR SPRAY | 400ML

HIGH-PERFORMANCE
MAINTENANCE SPRAY

- Provides instant, lasting protection, and shine to all vinyl, paintwork and plastics
- Particularly effective on black metal work
- May also be used on glass and Perspex and as a non-staining lubricant on linkages and locks

PN. 14481

SOC DEGREASER 400ML

SOLUBLE OIL CLEANER

- Complete and rapid cleaning of most surfaces
- Efficient removal of oily or greasy residues from any surface
- Suitable for both metal and plastic components
- Suitable for use in parts cleaners where a non-aqueous product is recommended

PN. 04060

SUPER MARINE INHIBITOR | 400ML

HIGH-PERFORMANCE
MARINE LUBRICANT

- Creates a water repellent lubricated surface on external surfaces
- Coats unexposed internal surfaces
- Prevents rust formation

PN. 09090

WHITE SPRAY GREASE | 400ML

SPECIALIST LUBRICANT

- Versatile multi-purpose grease
- Excellent water resistance
- Prevents component seizure
- Ultimate protection in automotive, commercial, industrial, & marine applications

PN. 64040

DIRT BLASTER 1L

HIGH-PERFORMANCE
BIO-CLEANER

- Outstanding performance with minimal agitation
- Reduces scale build up
- Boosts cleaning properties in hard water areas
- Suitable for use with most components

PN. 00500

Depending on the range, Rock Oil products are available in multiple sizes, including 400ml aerosols and 1L / 4L / 5L / 20L / 210L / bulk containers.
