Race & Road Lubricant Range

The **complete** solution for motorcycle race & road lubrication.

At Rock Oil, we have extensive racing and motorsport experience, achieving many British and World Championship successes, which keep us at the forefront of lubrication technology. Modern race and road bikes demand lubricants that ensure optimum performance and reliability. We've developed a sophisticated range of products for all 2-stroke and 4-stroke machines, earning factory approvals from leading manufacturers.

As the official lubricant of the Bennetts British Superbike Championship, we're a prominent name in two-wheeled motorsport. Our collaboration with top-level teams and riders across various disciplines, underscores our commitment to excellence in motorcycle lubrication.
